

2011 Worship Ministry Agreement

HARVEST BIBLE CHAPEL CALGARY

I agree

... to fulfill my part on the worship team.

With occasional substitutions, I will serve at least twice a month until further musicians have joined the team. This includes letting the worship leader know when it is too much!

... to fulfill my part during special seasons of ministry

I will sing/ be willing to serve during special seasons of ministry. These are Easter, Christmas Eve, and Anniversary Sunday.

... to prayerfully support the worship ministry.

I know that what we wish to see happen in our services is only possible by the movement of none other than God Himself. I will pray that He does for us what we cannot do for ourselves.

... to submit my gifts to the direction of the worship ministry.

I am ready to serve. I will serve however and wherever asked by the worship ministry. I know this means doing things that aren't convenient, thrilling, or immediately rewarding, but my heart is to serve Christ.

... to discuss matters of concern about the worship ministry with leaders of the worship ministry.

Whenever conflicts, disagreements, or misunderstandings happen between us (and I realize they will happen), I agree to speak with the worship ministry leadership first.

... to take seriously my own spiritual growth.

I know that everyone on the stage is seen as a leader. I take that seriously and purpose to be continually growing spiritually. Specifically, I will grow both in a small group and personal context.

If married, I have discussed this agreement with my spouse and realize the sacrifice and support needed from them to fulfill this ministry.
